## **IWATS Vendor Agreement**

**DEFINITIONS:** As used herein, "Event Leadership" means the International Worship & Artists Summit Advisory Board & Management Staff; "Vendor" means the person or firm on whose behalf booth space is rented.

1. **STATEMENT OF POLICY:** All Vendors should be given equal opportunity, within reason, to present their product or service in the most effective manner to the audience.
2. **AGREEMENT:** The Agreement for space, the assignment of space, and full payment of rental charges together constitute an Agreement for the right to use the space. Full payment for space is required before assignment of space is made. Choice of location will be given whenever possible.
3. **ACCEPTANCE:** The signature on the International Worship & Artists Summit Vendor Application form indicates that the Vendor has read, understands, and agrees to abide by all rules, regulations, and restrictions outlined in the Vendor Application and Agreement.
4. **APPLICATION FOR EXHIBIT SPACE:** Application by Vendor shall be made on the official International Worship & Arts Summit Vendor Application. Signed Vendor Application must be on file prior to booth assignment.
5. **USE OF SPACE:** (a) All aisles and other spaces in the venue not leased to Vendors shall be under the control of Event Leadership. All displays, interviews, conferences, distribution of literature, lectures, demonstrations, and transactions shall be made inside the space Agreed. (b) No Vendor shall assign, sublet, or share the space allotted without the knowledge and consent of Event Leadership. Vendors must show only goods and services dealt in by them in the regular course of business, and representatives must be from their own firm. (c) Each Vendor is asked to respect the rights of other Vendors and to recognize that the general purpose of the event must take precedence over any individual exhibit.
6. **CARE OF BUILDING AND EQUIPMENT:** Vendors or their agents shall not injure or deface the building walls, booths, or equipment of the booths. When such damage appears, the Vendor is liable to the owner of the property so damaged.
7. **LIABILITY:** The Event Leadership, their officials and staff members disclaim all liability for damages or losses of any Vendor caused by fire, water, flood, windstorm, earthquake, rodents, utility failure, acts of vandalism, strikes, civil disorders, theft, and criminal acts. Event Leadership will not be responsible for electrical or other service-related failure. Vendors wishing to insure their goods must do so at their own expense. If unusual equipment is to be installed, or equipment that might come under fire codes is used, the Vendor must communicate with Event Leadership for information concerning facilities and regulations. All property of a Vendor is understood to remain in Vendor's custody and control in transit to or from or within the confines of the vendor site. The Vendors signing this Agreement will, at all times, protect, indemnify, save, and hold harmless the Event Leadership, their officials and staff members against any and all loss, cost, damage, liability, or expenses caused by the acts or omissions of the Vendor, including, without limitation, reasonable attorney's fees and the expense of enforcing this Agreement.
8. **FIRE PREVENTION:** All booth decorations must be flameproof, and all hangings must clear the floor. Electrical wiring must conform to National Electrical Codes and local ordinances. If inspection indicates that any Vendor has neglected to comply with these regulations or otherwise incurs fire hazard, the right is reserved to cancel all or part of his exhibit as may be irregular. The Vendor bears the expense of removing any materials that do not comply with regulations.
9. **SAFETY PRECAUTIONS:** Vendors shall keep their booths clean and orderly at all times and shall not engage in any activity which would unduly interfere with visitors or other Vendors or would be in violation of law, regulations, or ordinances. Further, Vendors shall take all necessary precautions for the safety of their personnel, other Vendors, and all other persons upon the premises, and shall comply with all applicable provisions of Federal, State, and Municipal safety laws, building codes, and ordinances to prevent accidents and injuries.
10. **INTERPRETATION AND AMENDMENTS:** Event Leadership shall have full power to interpret and enforce all rules contained herein, and the power to make amendments as needed.
